

iPlus Cradle for the iPhone 4/3GS/3G & iPod with Remote Control

Model No. : ME-IP-CR-08

The iPlus Cradle CR-08 is a cutting – edge design compatible for the iPhone 4, iPhone 3GS/3G, iPhone and iPod with Dock Connector, includes with iPod Universal Dock, provides Sync & Charge function through 5pin mini USB, S Video/Composite Video output, Stereo Audio output with volume control through the IR wireless remote control. 3D sound effect is easily add in for just one push onto the remote button.

The handy 10 keys IR wireless remote controller provides full function of your iPod application.

Since the latest iPhone and iPod can be charged only through USB connector, a self-lock push switch is available for two selectable modes: SYNC & CHARGE or CHARGE ONLY.

SYNC & CHARGE mode should be selected while the min-USB connector is connected to computer. Some computers may still provide charging through USB even when it is OFF, in such case, the switch should be set to CHARGE ONLY mode.

CHARGE ONLY mode should also be selected while the mini-USB connector is connected to CR-08 compatible AC adaptor (sole separately : refer to CR-08 accessory).

Made for
 iPod iPhone
